SUBJECT: **Cal Grant C Supplements**

This Operations Memo from the California Student Aid Commission (Commission) announces that students identified with potential Cal Grant C eligibility received an e-mail notification to complete the Cal Grant C Supplement.

- Selected students have 30 days from the date we mailed the notification to provide the supplemental information online in WebGrants for Students.
- Upon acceptance of the Supplement data, the Commission will score and rank the selected students to determine the 7,761 authorized Cal Grant C awardees for the 2015-16 academic year.
- Schools can download the Cal Grant C recipient report in WebGrants to check their students' status and encourage them to complete the Supplement.

The Commission anticipates processing Cal Grant C awards in mid-July.
