TO: Financial Aid Administrators

FROM: Tae Kang *Tae Kang*  
Deputy Director, Program Administration & Services Division

SUBJECT: **2023-24 Cal Grant Spring Term Advance – Quarter Schools**

This Special Alert from the California Student Aid Commission (Commission) provides an update on the 2023-24 Cal Grant spring term advance for **quarter schools**.

- The 2023-24 spring term advance was processed using a 95 percent factor of the previous year's reconciled spring term amount.
- As previously announced in [GSA 2023-42](#), the Commission evaluates the percentage to be advanced for the spring term by taking into consideration undisbursed funds from the fall advance and the State's cash management needs.
- The California State Controller's Office and the State Treasurer's Office notified the Commission that funds will be electronically delivered to campuses on **Monday, March 18, 2024**.
- Campuses are encouraged to continue reconciling their WebGrants payment rosters to keep their Cal Grant accounts up to date.

We appreciate your support in processing Cal Grant payments to students.
