WHAT IS A CAL GRANT?

**A Cal Grant is money for college
you don't have to pay back**

Cal Grants come from the State of California and can be used at any UC or CSU for undergraduate studies or at any California Community College, as well as qualifying independent and career colleges or technical schools in California.

MIDDLE CLASS SCHOLARSHIP

- Must attend a UC or a CSU
- Families earn less than \$150,000 per year
- In 2016-17, students can receive up to 30% of their tuition and fees
- By 2017-18 that amount will be a maximum of 40 percent

HOW STUDENTS APPLY FOR A CAL GRANT

1

HOW STUDENTS APPLY FOR A CAL GRANT

Complete the Free Application for Federal Student Aid (FAFSA) or The California Dream Act Application by the March 2nd deadline.

Both available electronically.

Remember, students are eligible to complete one or the other, **but not both.**

HOW STUDENTS APPLY FOR A CAL GRANT

2

HOW STUDENTS APPLY FOR A CAL GRANT

A GPA must be submitted by the high school for every senior.

High Schools will electronically upload and submit GPAs.

DO YOU KNOW..

The reason a student is not awarded a Cal Grant is because their verified GPA has not been submitted on time or at all?

Getting a GPA submitted electronically before the deadline is critical to receiving a Cal Grant.

High School Grant Delivery System (GDS) – WebGrants Information Security and Confidentiality Agreement

A signed Information Security and Confidentiality Agreement (the "Agreement") is required by the California Student Aid Commission from any institution accessing the GDS – WebGrants System.

High School Name	College Board Code		
Western Association of Schools & Colleges (WASC) Code (or other Eligible Regional Association Code)	CDS Code		
High School Address	City	State	Zip Code

The High School listed above agrees to comply with the following requirements as a condition of gaining access to the GDS – WebGrants System of the California Student Aid Commission (the Commission):

1. Passwords and user identification numbers (IDs) are to be treated as confidential information. School employees shall not share passwords and IDs.
2. The high school's Principal will designate another individual as the high school's System Administrator. The System Administrator will be granted the authority and responsibility to create or disable individual school user accounts for that high school's staff access to the GDS – WebGrants System. The Principal will not have this authority and responsibility.
3. Computerized files created pursuant to this agreement include confidential information. These files and the data contained within these computerized files will be maintained by the Commission consistent with federal and state privacy laws, and must be treated with the utmost confidentiality by all parties.
4. The high school shall take all reasonable precautions to protect the data in the system from unauthorized access, change or destruction. Data shall not be altered, destroyed, copied, uploaded, or downloaded from the system except as authorized in the approved External User Access Request forms.
5. The Commission reserves the right to revoke access to the GDS – WebGrants System to any high school or individual staff member without notice.
6. Within five (5) working days of notice, the System Administrator will disable the password and ID of any employee whose change in employment status or duties no longer requires access to the GDS – WebGrants System. Documentation of this action shall remain at the school.
7. The high school shall complete a new Agreement should the Principal or System Administrator leave the high school. The new Agreement must be filed no later than 5 days after a new Principal or System Administrator is appointed.
8. The high school shall comply with all federal and California Information security and confidentiality laws, including the Comprehensive Computer Data Access and Fraud Act (California Penal Code Section 502) and Information Practices act of 1977 (Civil Code 1798 et. seq).
9. The high school shall ensure that information transmitted electronically or otherwise to the Commission has been examined and is complete and accurate to the best of its knowledge. No unencrypted email or storage media containing confidential information shall be sent to the Commission. Decryption keys shall not be sent with the encrypted data.

NOTE: A high school's Principal and System Administrator may not be the same person.

I, the undersigned, certify that I am the System Administrator for this Agreement. I have read and understand this agreement and certify that I will comply with the requirements stated herein.

Signature – High School System Administrator 1	Print Name	Date
E-Mail Address	Telephone Number	Fax Number
Signature – High School System Administrator 2	Print Name	Date
E-Mail Address	Telephone Number	Fax Number

I, the undersigned, certify that I am the Principal of the high school listed above and am authorized to act on its behalf. I have read and understand this agreement and certify that the high school is a WASC accredited or otherwise regional accredited as required by Title 5, California Code of Regulations Section 30008 and its authorized users will comply with the requirements stated herein. As the high school's Principal, I hereby designate the individual(s) identified above as this high school's System Administrator.
