INTRODUCTION

Section 8 of Senate Bill 1644 (Chapter 403, Statutes of 2000) requires that the California Student Aid Commission (Commission) annually report to the Legislature and Governor on the number of Cal Grant applicants and new and continuing recipients each year. The data shall include at a minimum the following recipient information: educational level, grade point average, and segment of attendance.

The Commission is the state's principal provider of intersegmental statewide grant aid to postsecondary students. Founded in 1955 as the California State Scholarship Commission, the Commission's primary programmatic responsibilities include administration of the Cal Grant Program, the Chafee Grant Program and several targeted state scholarship and loan assumption programs. The Commission administers financial aid awareness and outreach programs, such as the California Student Opportunity and Access Program Cal-SOAP and Cash for College, in collaboration with business, private industry, and community-based organizations.

The Commission consists of 15 appointed members. Eleven members are appointed by the Governor and represent segments of the State's higher education community, postsecondary education students, and the general public. In addition, the Speaker of the Assembly and the Senate Rules Committee each appoint two Commission members as representatives of the general public.

In its policy decision-making, the Commission receives advice and recommendations from its staff and from ad hoc committees comprised of individuals that represent colleges and universities, secondary schools, student groups, the business community, lending institutions, and various levels of government. The Commission's strong tradition of public participation stems from its commitment to continuous improvement and responsiveness in the development and delivery of its financial aid programs and services.

Since 2010, Governor Brown and the California State Legislature have made financial aid for higher education a priority. Commission policy is to maximize public investment in financial aid, advance and expand awareness of financial aid programs, influence federal financial aid policy, and increase the effectiveness of financial aid programs through implementation of quality standards and support of Commission operations.

BACKGROUND

On September 11, 2000, Senate Bill 1644 (Chapter 403, Statutes of 2000), also known as the Ortiz-Pacheco-Poochigian-Vasconcellos Cal Grant Program, was signed into law. This historic bill changed the Cal Grant Program, which previously consisted of Cal Grant A awards, Cal Grant B awards, Cal Grant C awards, and Cal Grant T awards. The Cal Grant Program currently consists of the following components: High School Entitlement Cal Grant A and B awards, California Community College Transfer Entitlement Cal Grant A and B awards, Competitive Cal Grant A and B awards, and the existing Cal Grant C awards.

Schools or postsecondary institutions seeking to participate in the Cal Grant Program must meet various statutory eligibility requirements, including a federal student loan three-year Cohort Default Rate threshold and a graduation rate threshold.

Cal Grant A awards provide for full mandatory systemwide tuition and fees at the California State University and the University of California, as well as tuition support at eligible independent California colleges and universities and private career colleges to qualified low- and middle-income students. Cal Grant B awards provide funds to qualified low-income disadvantaged students. For first-year students, Cal Grant B awards provide up to \$1,473 for books and living expenses. Beginning with the student's second year of attendance, the Cal Grant B award also helps pay for tuition and fees at eligible Cal Grant schools at the same level as the Cal Grant A award.

The 2013-14 maximum annual Cal Grant A and B tuition and fees are:

- \$5,472 at the California State University for new and renewal offered awardees
- \$12,192 at the University of California for new and renewal offered awardees
- \$9,084 at eligible independent California colleges and universities, private career colleges accredited by the Western Association of Schools and Colleges (WASC) as of July 1, 2012, and other public institutions for new offered awardees; renewal offered awardees will continue to receive an award amount up to \$9,223 depending on when they received their first award
- \$4,000 at private career colleges not accredited by WASC as of July 1, 2012 for new and renewal offered awardees

The 2013-14 maximum annual Cal Grant C award amounts for new and renewal offered awardees are:

- \$2,462 for the tuition and fee award
- \$547 for training-related costs, such as books, tools and equipment

APPLICATION PROCESS

Applicants must meet multiple criteria to qualify. Submitting both the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application and the Cal Grant Grade Point Average (GPA) Verification Form by the statutory deadlines is the first step for students to be considered for a Cal Grant award. Of the 1,334,000 students who were successful in completing this first step in the 2013-14 award year, over 849,200, or 64 percent, did not meet the financial and basic eligibility criteria. The basic eligibility criteria that students failed to meet include not being a California resident, not listing a California college or university seeking to participate in the Cal Grant Program on the application, and having already graduated with a bachelor's degree.

In addition to meeting financial and basic eligibility criteria, there are academic and other requirements specific to each component as indicated below.

New High School Entitlement Cal Grant A and B Awards

The 2013-14 new High School Entitlement Cal Grant A and B awards were guaranteed to applicants who graduated from high school in 2011-12 or 2012-13. The High School Entitlement Cal Grant A and B awards required a minimum 3.0 and 2.0 GPA, respectively.

Beginning with the 2008-09 award year, new High School Entitlement Cal Grant offered awardees were required to provide confirmation of high school graduation prior to the Commission disbursing any Cal Grant funds.

New California Community College Transfer Entitlement Cal Grant A and B Awards

The 2013-14 new California Community College Transfer Entitlement (Transfer Entitlement) Cal Grant A and B awards were guaranteed to every applicant who graduated from a California high school or its equivalent after June 30, 2000, was a California resident at the time of high school graduation, transferred to a qualifying baccalaureate-degree granting institution from a California Community College during the award year, was under the age of 28 at the time of the transfer, and had a minimum California Community College GPA of 2.4. Also, in accordance with California Education Code Section 69436(b)(10)(B), applicants who attended a California Community College in the 2011-12 academic year, and were otherwise eligible, qualified for a 2013-14 Transfer Entitlement Cal Grant award.

Beginning with the 2006-07 award year, new Transfer Entitlement Cal Grant offered awardees were required to provide confirmation of meeting the above eligibility requirements prior to the Commission disbursing any Cal Grant funds. Also, 10 percent of the new and renewal awards were randomly selected for campus-level verification that the offered awardee met the eligibility requirements prior to the Commission disbursing any Cal Grant funds.

New Competitive Cal Grant A and B Awards

The 2013-14 new Competitive Cal Grant A and B awards were available to California applicants who did not receive a new High School or Transfer Entitlement Cal Grant award. The Competitive Cal Grant A awards required a minimum 3.0 high school GPA or a minimum 2.4 college GPA. The Competitive Cal Grant B awards required a minimum 2.0 high school or college GPA. Qualifying applicants competed for the 22,500 Competitive Cal Grant A and B awards. Fifty percent of these awards were available to all applicants who met the eligibility criteria and applied by the March 2nd application deadline. The remaining fifty percent were reserved for applicants who enrolled at a California Community College and applied by the September 2nd application deadline.

New Cal Grant C Awards

The 2013-14 new Cal Grant C awards were available to low- and middle-income applicants receiving occupational or technical training in a course that was at least four months long. Qualifying applicants who completed and returned a Cal Grant C Supplement competed for 7,761 Cal Grant C awards.

Renewal of Cal Grant Awards

In addition to meeting various statutory eligibility requirements in order to continue in the Cal Grant Program, renewing Cal Grant recipients had to meet Income and Asset Ceilings and minimum need criteria to satisfy the financial need requirement beginning in 2011-12. In order to renew for the 2013-14 award year, renewing Cal Grant recipients had to meet the same financial need requirement as new Cal Grant applicants.

ELIGIBLE APPLICANTS AND OFFERED AWARDEES

In the 2013-14 award year, of the approximately 1,334,000 students who applied for a new Cal Grant, over 484,800, or 36 percent, qualified for a Cal Grant award. Of the over 484,800 qualified applicants, over 211,300 were offered a Cal Grant award.

This report as well as other reports produced by the Commission can be viewed on the Commission's Website at www.csac.ca.gov.

TABLES

The following tables summarize the 2013-14 new and renewal Cal Grant offered awardees by the type of financial aid application filed. These statistics do not reflect the actual number of Cal Grant paid recipients, or those who ultimately used their Cal Grant (received payment) to attend college.
