### Applying by the Deadlines

Submit this application as early as possible, but no earlier than October 1, 2022. The Cal Grant final filing deadline is March 2, 2023 and September 2, 2023 for Community Colleges but we will process your application for other college programs as late as June 30, 2024. We will send this information to the colleges you list on this application. Your college may require additional forms and need your correct, complete information by any deadline that they may have. Check with your college to determine their application deadlines and filing requirements. The Cal Grant program requires a school certified GPA. Check with your high school counselor or a college financial aid administrator to see if they will be submitting your GPA. If they are not submitting your GPA for you, go to <https://www.csac.ca.gov/post/cal-grant-gpa-verification-form> to download the GPA form. We recommend you file online at <https://dream.csac.ca.gov>. This is the fastest, easiest way to apply for California Dream Act assistance.

### Using Your Tax Return

If you (or your parents) are required to file a 2021 income tax return with the Internal Revenue Service (IRS), we recommend that you complete it as soon as possible. If a return has not yet been filed, you can submit your California Dream Act Application using estimated tax information, and then correct that information after you file your return. Do not miss any of your college deadlines or the March 2, 2023 Cal Grant deadline.

### Filling out the California Dream Act Application

If you or your family experienced significant changes to your financial situation (such as loss of employment), or other unusual circumstances (such as high reimbursed medical or dental expenses), complete this form to the extent you can and submit it as instructed. Consult with the financial aid office at the college(s) you applied to or plan to attend.

## Mailing your California Dream Act Application

After you complete this application, make a copy of pages 3 through 8 for your records. Mail the original, signed application (pages 3 through 8) to: California Student Aid Commission, Cal Grant Operations, P.O. Box 419027, Rancho Cordova, CA 95741-9027. After your application is processed, the Commission will send the results to the colleges listed on the application. If you provide an e-mail address, the Commission will be able to contact you if we need more information. To make changes to your CA Dream Act Application, go to <https://dream.csac.ca.gov> or call 888-224-7268.

## Why fill out the California Dream Act Application?

The California Dream Act Application is a significant step in the financial aid process. You use the California Dream Act Application to apply for California state financial aid, such as UC Grants, State University Grants, California Promise Grant and Cal Grants. In addition, many colleges use information from the Dream Act Application to award private scholarships.

---

### Why all the questions?

The questions on the California Dream Act Application are required to calculate your Expected Family Contribution (EFC). The EFC measures your family's financial strength and is used to determine your financial eligibility. The colleges that you list may also use some of your responses. They will determine if you may be eligible for school or state aid.

---

### How do I apply for a Cal Grant?

Complete this California Dream Act Application to apply for a Cal Grant and submit it by the March 2, 2023 final filing deadline. You must also submit your school certified Grade Point Average (GPA). Download the GPA Verification form online at: [csac.ca.gov/post/cal-grant-gpa-verification-form](https://csac.ca.gov/post/cal-grant-gpa-verification-form)

---

### How do I apply for financial aid at my college?

To apply for financial aid through your college, contact the college or visit their website. The college may have an earlier filing deadline than for the Cal Grant program.

---

### How do I find out what my EFC is?

Your EFC is displayed on your California Dream Act Application confirmation page at <https://dream.csac.ca.gov/landing>. Your EFC will be sent to the colleges listed on your application. The colleges will use the information to determine your eligibility for their financial aid programs. It is important to follow up with your college(s) to make sure all of your information is correct and complete and to ask if they need any further information from you.

---

### How much financial aid will I receive?

Using the information on your California Dream Act Application and your EFC, the financial aid office at your college will determine the amount of aid you will receive. The college will use your EFC to prepare a financial aid package to help you meet your financial need. Financial need is the difference between the cost of attendance (which can include living expenses) as determined by your college, and your EFC. If you or your family have unusual circumstances that should be taken into account, contact your college's financial aid office. Some examples of unusual circumstances are: significant medical or dental expenses or a large change in income from last year to this year.

---

### When will I receive the financial aid?

Any financial aid that you are eligible to receive will be paid to you through your college. Typically, your college will first use the aid to pay tuition, fees and room and board (if provided by the college). Any remaining aid may be paid to you for your other educational expenses.

---

### How can I have more colleges receive my CA Dream Application Information?

Your on-line California Dream Act Application can only list up to ten school codes. If there are ten school codes on your application, each new code will need to replace one of the school codes already listed. Go to <https://dream.csac.ca.gov> to update and add more colleges to your application.

If you are completing a paper California Dream Act Application, you can only list four colleges in Section F. You may add more colleges by calling 888-224-7268 and talking to CSAC customer service, who can add more school codes for you.

## Information on the Privacy Act

Your college will use the information that you provide on this form to determine if you are eligible to receive California state student financial aid. The colleges on this form may also use the information to determine your eligibility for private grants and scholarships. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 103a - 104d.

Without your consent, we may disclose information that you provide to entities under a published "routine use." Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other state agencies under computer matching programs, such as those with the Franchise Tax Board; to your parents or spouse; and to members of the California State Legislature if you ask them to help you with student aid questions.

---

### State Certification

By submitting this application, you are giving the California Student Aid Commission and any college you have listed permission to verify any statement on this form and to obtain income tax information for all persons required to report income on this form.

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.

The CA Dream Act Application uses the same codes as the FAFSA so you can find the school codes at [StudentAid.gov/fafsa-app/FSCsearch](http://StudentAid.gov/fafsa-app/FSCsearch) or by calling 888-224-7268. If you cannot obtain a code, write in the complete name, address, city and state of the college. All of the information you included on your CA Dream Act Application, with the exception of the list of colleges, will be sent to each of the colleges you listed. To find out how to have more colleges receive your CA Dream Act Application information, read the section "Why fill out the California Dream Act Application" on page 2.

# California Dream Act Application

## Financial Aid Application for AB 540 Eligible Students July 1, 2023 - June 30, 2024

### Instructions on SSID question 11, page 3

Enter your Statewide Student Identification number (SSID). You'll have the 10 digit SSID only if you attended a California public high school. Your high school will be able to supply this; otherwise leave blank.

### Instructions on citizenship questions 16, page 3

If you are an eligible noncitizen, write in your eight- or nine-digit alien registration number, if you have one. Generally, you are an eligible noncitizen if you are (1) a permanent U.S. resident with a Permanent Resident Card (I-551); (2) a conditional permanent resident with a Conditional Green Card (I-551C); (3) the holder of an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: "Refugee," "Asylum Granted," "Parolee" (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder or "Cuban-Haitian Entrant;" or (4) the holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of "Victim of human trafficking." Eligible noncitizens who have a Social Security number should file the FAFSA. If you are in the U.S. on an F1 or F2 student visa, a J1 or J2 exchange visitor visa, or other visa, you cannot file the California Dream Act Application. However, holders of U-Visas must file the California Dream Act Application. If you are undocumented, or if you have completed the Deferred Action for Childhood Arrivals (DACA) process, select "I am not a citizen or eligible non-citizen" and do not enter any number in question 16, unless you have been granted permanent resident status/U.S. citizenship since.

### Instructions on question 17, page 3

Report your marital status as of the date you sign your California Dream Act Application. If your marital status changes after you sign your California Dream Act Application, check with the **financial aid office at the college**.

### Notes for questions 31 (page 4) and 82 (page 6)

If you filed or will file a foreign tax return, IRS 1040NR, or a tax return with Puerto Rico, another U.S. territory (e.g., Guam, American Samoa, the U.S. Virgin Islands, Swain's Island or the Northern Marianas Islands) or one of the Freely Associated States, use the information from that return to fill out this form. If you filed a foreign return, convert all monetary units to U.S. dollars, using the published exchange rate in effect for the date nearest to today's date. To view the daily exchange rates, go to [federalreserve.gov/releases/h10/current](https://www.federalreserve.gov/releases/h10/current).

### Notes for questions 33 (page 4) and 84 (page 7)

Answer "No" if you (and if married, your spouse) did not file a Schedule 1.

Answer "No" if you (and if married, your spouse) did or will file a Schedule 1 to report **only one or more** of the following items:

1. Unemployment compensation (line 7)
2. Other income to report an Alaska Permanent Fund dividend (line 8f – may not be a negative value)
3. Educator expenses (line 11)
4. IRA deduction (line 20)
5. Student loan interest deduction (line 21)

Answer "Yes" if you (or if married, your spouse) filed or will file a Schedule 1 and reported additional income or adjustments to income on any lines **other than or in addition** to the five exceptions listed above.

If you do not know if you filed or will file a Schedule 1, select "Don't know."

### Notes for questions 39 and 40 (page 4), 42i (page 5) and 91 and 92 (page 7)

Net worth means the current value, as of today, of investments, businesses, and/or investment farms, minus debts related to those same investments, businesses and/or investment farms. If net worth is negative, enter 0.

**Investments include** real estate (do not include the home in which you live), rental property (includes a unit within a family home that has its own entrance, kitchen, and bath rented to someone other than a family member), trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc.

**Investments also include** qualified educational benefits or education savings accounts (e.g., Coverdell savings accounts, 529 college savings plans and the refund value of 529 prepaid tuition plans). For a student who does not report parental information, the accounts owned by the student (and/or the student's spouse) are reported as student investments in question 39. For a student who must report parental information, the accounts are reported as parental investments in question 91 including all accounts owned by the student and all accounts owned by the parents for any member of the household.

**Money received, or paid on your behalf**, also includes distributions to you (the student beneficiary) from a 529 plan that is owned by someone other than you or your parents (such as grandparents, aunts, uncles, and non-custodial parents). You must include these distribution amounts in question 42i.

**Investments do not include** the home you live in, the value of life insurance, ABLE accounts, retirement plans (401[k] plans, pension funds, annuities, non education IRAs, Keogh plans, etc.) or cash, savings and checking accounts already reported in questions 38 and 90.

**Investments also do not include** UGMA and UTMA accounts for which you are the custodian, but not the owner. Investment value means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

**Business and/or investment farm value includes** the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

**Business value does not include** the value of a small business if your family owns and controls more than 50 percent of the business and the business has 100 or fewer full-time or full-time equivalent employees. For small business value, your family includes (1) persons directly related to you, such as a parent, sister or cousin, or (2) persons who are or were related to you by marriage, such as a spouse, step parent or sister-in-law.

**Investment farm value does not include** the value of a family farm that you (your spouse and/or your parents) live on and operate.

### Notes for Questions 46, page 5

Answer "Yes" if you are currently serving in the U.S. Armed Forces or are a National Guard or Reserves enlistee who is on active duty for other than state or training purposes.

Answer "No" if you are a National Guard or Reserves enlistee who is on active duty for state or training purposes.

### Notes for Question 47, page 5

Answer "Yes" (you are a veteran) if you (1) have engaged in active duty (including basic training) in the U.S. Armed Forces (Army, Navy, Air Force, Marines or Coast Guard) or are a National Guard or Reserves enlistee who was called to active duty for other than state or training purposes, or were a cadet or midshipman at one of the service academies, **and** (2) were released under a condition other than dishonorable. Also answer "Yes" if you are not a veteran now but will be one by June 30, 2024.

Answer "No" (you are not a veteran) if you (1) have never engaged in active duty (including basic training) in the U.S. Armed Forces, (2) are currently an ROTC student or a cadet or midshipman at a service academy, (3) are a National Guard or Reserves enlistee activated only for state or training purposes, or (4) were engaged in active duty in the U.S. Armed Forces but released under dishonorable conditions.

Also answer "No" if you are currently serving in the U.S. Armed Forces and will continue to serve through June 30, 2024.

### Notes for question 50 (page 5)

Answer **“Yes”** if at any time since you turned age 13:

- You had no living parent (biological or adoptive), even if you are now adopted; or
- You were in foster care, even if you are no longer in foster care today; or
- You were a dependent or ward of the court, even if you are no longer a dependent or ward of the court today. For student financial aid purposes, someone who is incarcerated is not considered a ward of the court.

The financial aid administrator at your school may require you to provide proof that you were in foster care or a dependent or ward of the court.

### Notes for question 51 and 52 (page 5)

Answer **“Yes”** if you can provide a copy of a court’s decision that as of today you are an emancipated minor or are in legal guardianship. Also answer **“Yes”** if you can provide a copy of a court’s decision that you were an emancipated minor or were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court’s decision was issued.

Answer **“No”** if you are still a minor and the court decision is no longer in effect or the court decision was not in effect at the time you became an adult. Also answer **“No”** and contact your school if custody was awarded by the courts and the court papers say “custody” (not “guardianship”). The financial aid administrator at your college may require you to provide proof that you were an emancipated minor or in legal guardianship.

### Notes for Question 53-55 (page 5)

Answer **“Yes”** if you received a determination at any time on or after July 1, 2022 that you were an unaccompanied youth who was homeless or, at risk of being homeless.

- **“Homeless”** means lacking fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or are temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide support and a place to live.
- **“Unaccompanied”** means you are not living in the physical custody of your parent or guardian.

Answer **“No”** if you are not homeless or at risk of being homeless, or do not have a determination. You should contact your college financial aid office for assistance if you do not have a determination but believe you are either (1) homeless and unaccompanied or (2) at risk of being homeless, unaccompanied, and providing for your own living expenses - as your college financial aid office can determine that you are "homeless" and are not required to provide parental information. The financial aid administrator at your college may require you to provide a copy of the determination if you answered **“Yes”** to any of these questions.

### Notes for students unable to provide parental information on pages 6 and 7

Under very limited circumstances (for example, your parents are incarcerated; you have left home due to an abusive family environment; or you do not know where your parents are and are unable to contact them), you may be able to submit your California Dream Act Application without parental information. **If you are unable to provide parental information**, skip Sections D and E, and go to Section F. Once you submit your California Dream Act Application without parental data, **you must follow up with the financial aid office at the college you plan to attend**, in order to complete your California Dream Act Application.

### Notes for questions 56 - 69

**Chafee Supplemental Questions:** The Chafee Grant program is a state/federal grant designed for students who are or were in foster care placement at any time under court dependency/wardship, between the ages of 16-18. To receive consideration, answer questions 56-59.

### Notes for Section D, questions 60–94 (pages 6 and 7)

Review all instructions below to determine who is considered a parent on this form:

- If your parent was never married and does not live with your other legal parent, or if your parent is widowed or not remarried, answer the questions about that parent.
- If your parents (biological, adoptive, or as determined by the state [for example, if the parent is listed on the birth certificate]) are not married to each other and **live together**, select “Unmarried and both legal parents living together” and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent.
- If your legal parents are married, select “Married/ remarried.” If your legal parents are divorced but living together, select “Unmarried and both legal parents living together.” If your legal parents are separated but living together, select “Married/ remarried,” not “Divorced/separated.”
- If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months, or during the most recent year that you actually received support from a parent). **If this parent is remarried as of today, answer the questions about that parent and your stepparent.**
- If your widowed parent is remarried as of today, answer the questions about that parent and your stepparent.

### Notes for questions 85 (page 6) and 102 (page 8)

In general, a person may be considered a dislocated worker if he or she:

- Is receiving unemployment benefits due to being laid off or losing a job and are unlikely to return to a previous occupation;
- Has been laid off or received a lay-off notice from a job;
- Was self-employed but is now unemployed due to economic conditions or natural disaster; or
- Is the spouse of an active duty member of the Armed Forces and has experienced a loss of employment because of relocating due to permanent change in duty station; or
- Is the spouse of an active duty member of the Armed Forces and is unemployed or underemployed, and is experiencing difficulty in obtaining or upgrading employment; or
- Is a displaced homemaker. A displaced homemaker is generally a person who previously provided unpaid services to the family (e.g., a stay-at-home mom or dad), is no longer supported by the spouse, is unemployed or underemployed, and is having trouble finding or upgrading employment.

Except for the spouse of an active duty member of the Armed Forces, if a person quits work, generally they are not considered a dislocated worker even if, for example, the person is receiving unemployment benefits.

Answer **“Yes”** to question 85 if your parent is a dislocated worker.

Answer **“Yes”** to question 102 if you or your spouse is a dislocated worker.

Answer **“No”** to question 85 if your parent is not a dislocated worker.

Answer **“No”** to question 102 if neither you nor your spouse is a dislocated worker.

Answer **“Don’t know”** to question 85 if you are not sure whether your parent is a dislocated worker. Answer **“Don’t know”** to question 102 if you are not sure whether you or your spouse are dislocated workers. You can contact your financial aid office for assistance in answering these questions.

The financial aid administrator at your college may require you to provide proof that your parent is a dislocated worker, if you answered **“Yes”** to question 85, or that you or your spouse is a dislocated worker, if you answered **“Yes”** to question 102.
