School Change Description

Cal Grant students who will be attending a different Cal Grant eligible school, other than the one they are listed as attending in WebGrants 4 Students, must make a school change in order to receive their award at their new school.

1 SUBMIT A SCHOOL CHANGE

Step	Description	Action

In order for a student to make a school change, they must first be 'Awarded' under the 'Award Status' card. If the 'Award Status' card does not display an 'Awarded' status, the student will not be able to make a school change. Students will need to complete all "To-Do" list items in order to obtain an 'Awarded' status.	Complete To-Do list if 'Award Status' is not 'Awarded'
2.	Note: While completing all "To-Do" items is required in order to receive Cal Grant consideration, it does not determine Cal Grant eligibility and does not guarantee that a student will be awarded a Cal Grant.	NA

WebGrants 4 Students: Submit a School Change *(Cal Grant)*

Step	Description	Action
1	After the student clicks 'Submit School Change' they will be presented with a green message stating, 'Cal Grant school change has been submitted successfully' (Figure 4).	Ensure the success message displays.
2	<p>Note: If the student returns to the Cal Grant menu (Figure 5) they should see their updated school of attendance.</p> <p>* If the cost of tuition and fees at the new school of attendance is different than the cost of tuition and fees at the former school, the Cal Grant award amount will also be updated. This is because the Cal Grant pays tuition and fees that corresponds to the college segment (CA community college, CA State University, University of CA, and private).</p> <p>** If a school change causes the "unmet need" to drop below the required minimum, the award offer will be rescinded.</p>	'NA'
